

Dear Student,

- ❖ Open your *Piggy Bank Club* account and you will receive a piggy bank, a special deposit envelope, 10 savings deposit slips and a *Piggy Bank Club* card.
- ❖ You only need \$1.00 to open a *Piggy Bank Club* account.
- ❖ Each time you make a deposit on Banking Day at school, your Student Teller will stamp your *Piggy Bank Club* card. When your card has 5 pig stamps, bring it in to any Exchange Bank branch and choose a prize.
- ❖ Tuesday, October 14, will be our first Banking Day at school.
- ❖ You can make deposits to your account any time Exchange Bank is open.
- ❖ Your *Piggy Bank Club* account earns interest. That means Exchange Bank will pay you a percentage of your money at the end of each September, December, March and June to help you save even more.
- ❖ The amount of money you earn depends on how much money you keep in your account. You can find out how much interest is paid to your account by asking any of the tellers at your Exchange Bank branch. You will also receive a statement in the mail at the beginning of each October, January, April and July that shows how much money you have in your account.

Bring this letter in to open your new savings account, and receive your *Piggy Bank Club* packet at any Exchange Bank Branch.
